## WELCOME

Welcome to the 2025 Annual Celebration Brochure of the Knutsford Primary Schools Ball!

This post-event publication brings together all the magic of the night - from dazzling highlights to unforgettable photos. You'll also find the latest news from each participating school.

A heartfelt thank you goes out to all the local businesses who supported us through advertising in this brochure. Your contributions play a vital role in our fundraising efforts.

The Knutsford Primary Schools Ball is the only event where all four schools - Bexton, Egerton, Manor Park, and St Vincent's - come together to raise funds. We're proud to share this Celebration Brochure with every family across our school communities.

Held on Friday 20th June at Stock Farm Barn, the 23rd Annual Ball welcomed 140 guests for a fantastic evening of fizz, dinner, a luxury raffle and auction, plus live music from The Breakfast Club - followed by an electric set from DJ Dom that kept the dancefloor packed.

Funds raised support each school's PTA to provide extras like sports equipment, books, IT, and trips - the kind of things standard funding can't always cover.

Huge thanks to Julija Taberner for the stunning venue theme design, to Tatton Estates for so generously hosting us at Stock Farm Barn, and to Zachary Locke for capturing everyone in their finest. Don't miss the list of generous sponsors and prize donors on the inside back cover - and please show them your support.

A huge thank you to the brilliant KPSB 2025 committee:

Victoria Moore, Anna Hope, Hanna Watson, Carla Maradei & Mel Bowes from Bexton, Laura Catlin, Julija Taberner and Alex Molloy from Egerton, Olly Holden from Manor Park, and Faye Ingles from St Vincent's - for their time, energy, and dedication over the past 10 months in bringing this fantastic event to life.

Stay in the loop for next year's Ball at: [knutsfordprimaryschool.co.uk](http://knutsfordprimaryschool.co.uk) and follow us on Facebook & Instagram: [@knutsfordpsball](https://www.instagram.com/knutsfordpsball)

Our amazing live band, The Breakfast Club - made up of five super-talented school parents: Rik, Nina, Jen, Matt, and Dan - delivered an outstanding set. Their energy, talent, and generosity made the night truly special and showed what brilliant support we have across our school community.

From their very first song, the dancefloor was full and the atmosphere electric - a huge thank you to The Breakfast Club for an unforgettable performance.

And let's not forget DJ Dom, who took over and kept the party alive right through to 1am with an incredible DJ set to round off the night in style.

This year, Knutsford Primary Schools 2025 Masquerade Ball and Oil Art Advisory in Knutsford teamed up to offer the primary schools across the area an opportunity to take part in an exciting art competition.

Budding young artists were invited to let their imaginations run wild, producing incredible mask designs that reflected creativity, passion, and originality. The competition was a celebration of artistic expression among children, giving them the opportunity to explore their talents and share their vision with a wider audience. After much anticipation, a selection of winning pieces was chosen. As a special reward, the winners will have their artwork proudly exhibited in the beautiful Oil Art Advisory Gallery for the last week in July. Well done to Penelope Moore, Felicity E, Ella Bolton & Georgia Bolton.

This unique opportunity gives young artists and their families a chance to see their work displayed professionally in a real gallery space—an inspiring and memorable experience for all involved. We'd like to thank all the schools, students, and families who participated, and extend our gratitude to Oil Art Advisory for their generous partnership in helping celebrate the next generation of artists.

Thank you to the KPSB Committee from all at St Vincent's

# St Vincent de Paul

## CATHOLIC PRIMARY SCHOOL

### KNUTSFORD

St Vincent de Paul Catholic Primary School is proud to serve 199 pupils across 143 families, forming a vibrant and caring school community.

We would like to express our sincere thanks to the KPSB committee for their outstanding efforts in raising funds to support all schools within the Knutsford community.

Thanks to the generous donations received last year from both the KPSB Committee and our PTA, St Vincent's has been able to provide a range of exciting experiences and resources for all our pupils.

Their support enabled us to purchase new equipment that has benefitted every child across the school, while also funding a number of enriching projects including:

Weekly ARTIS performing arts workshops for every class

An in-school Christmas pantomime for all children

A Zoo Lab experience for our younger pupils

Without this support, many of these memorable experiences simply wouldn't have been possible.

A massive thank you from all of us at St Vincent's to everyone who sponsors the Ball, places advertisements in the brochure, and to all who attend and support this fantastic event—your generosity makes a real difference to our school community.

**Congratulations to the Committee, especially our representative, Faye Ingles.**

## Egerton Primary School and Nursery

Our PTA has had another amazing year, working in the background to ensure that our children and parents have the best events - these provide plenty of fun, community spirit and raise money for the school.

We have had numerous film nights, our annual fish and chips quiz night, discos, a magical winter fair and plenty more to come, including our bunny hop and another festival themed Party in the Playground.

This year we are again raising money to replace our Daily Mile track, with work hoping to be completed this summer. Our Daily Mile is extremely important to our children, who use it every day. It promotes both mental and physical health, whilst giving the children a chance to catch up socially and be better focussed when returning to their work. Our PTA funds are also used for academic resources including Maths No Problem work books and Chick Hatching in Reception; they fund transport for each class to go on a trip; and plenty of other extracurricular activities throughout the year.

As Egerton Pre-School has now merged with the school, we are looking forward to our PTA growing and the money raised also benefitting our youngest nursery children.

**Thank you Knutsford School's Ball Committee and sponsors, as the money raised is a huge help for schools across the town. In the current climate it means that our children benefit tremendously, with provision of extracurricular activities that would not otherwise be possible, bringing enrichment to their primary school experience.**
